

## COUNCIL 81 UPDATE

09-15-09

Dear Council 81 Pilots,

1. **R&I Reminder:** The MEC Retirement and Insurance Committee will be in SLC Thursday, September 24, at 1000 at the Hilton Salt Lake City Airport , 5151 Wiley Post Way , Salt Lake City , UT 84116 , (801) 539-1515. You can register for the R&I seminar on the Delta MEC website, under featured items. No matter when you plan to retire, these seminars provide lots of important information and are always well received. Please take advantage of this service if you are available to attend.

2. **Council 81 Nomination Meeting:** Our nomination meeting will take place **Tuesday, October 13, at the Embassy Suites Hotel, 110 West 600 South, Salt Lake City , (801) 359-7800.** The meeting will start at 1000. We will also recap the October 6 regular MEC meeting, and refreshments will be served.

3. **Notes Regarding Nominations and the Meeting:** A Ballot Certification Committee (BCC) consisting of three council members in good standing will be selected by the council chairman from those in attendance. The BCC will distribute and collect floor nomination ballots, check all ballots for validity, and count the nominations to determine the two members who will be in the election for each position.

Following validation of the ballots by the BCC and the council chairman, the results and supporting documentation will be sent to the ALPA Membership Services Department for review and safekeeping. Shortly afterward, instructions will be sent to all council members regarding voting procedures, and the election will begin. Results of the election will be certified November 10.

The two council members who receive the most nominations for each position will become the candidates in the election for that position.

You are not required to be present at the meeting in order to qualify to become a candidate in the election.

However, all those seeking nomination will have an opportunity to address the council during the meeting.

You may wait to make a nomination until the meeting, or you may update/change your previous nomination at the meeting as there will be extra nomination ballots provided by the BCC.

Your nomination ballots must reach your council chairman by the time the nominations close at the meeting. If you mail your ballot, make sure you do so early enough so that your ballot reaches the council chairman the day prior to the meeting, Monday, October 12.

Fraternally,

Mark Saltzman
