Election

Voting starts today, October 15th. Each Council 1 pilot who is eligible to vote will receive a letter on the voting process, but the process should look familiar. Points to remember:

- You will use the same VIN/PIN that you used for the vote on the JCBA.
- If you've lost your VIN/PIN, call 888-FLY-ALPA, extension 4212.

- You can change your vote up to the voting deadline on November 10th. (The exact time of that deadline will be included in the letter sent to all Council 1 pilots.)
- The ballot contains the names of the top two nominees for each position, and write-in candidates are allowed.

Please Participate!

Thanks to all of you who sent in nominating ballots and attended the Council 1 meeting. Candidate's bio info is repeated below. If you don't know the individuals, give a call. Three of these gentlemen will influence our careers for the next three years. Your participation can make a difference.
